Computer Imaging

Process: Scan and print process. Your image is imprinted on a special edible paper and laid onto the cake.

Print Size: Our standard print size is 7" x 9". We can also print large size 9" x 14" for an extra fee. Large images are suitable for 1/2 sheet and full sheet cakes.

Best Results: Butter cream is recommended for best results.

Decorations: Varies depending on size of the cake. For **1/8 and 1/4 sheet cakes**, the image will cover most of cake. For **1/2 and full sheet cakes**, the image will be imprinted on either the side or top/ bottom half of cake.

Color Matching: None available at this time. We will do our best with any given image.

Custom Imaging Prices:

Standard size (7"x9"): \$15 for 1st image; \$5 for each additional image.
Large size (9"x14"): \$25 for 1st image; \$10 for each additional image.

Note:

Prices include basic editing, decoration and writing. Additional charges may apply if extensive editing time is required. This is a scan and print process, so the better the image quality, the better the results.

Only 1 image allowed on 1/8 sheet. No changes on the images.
If you leave a photo or image with us, please make sure you pick it up with your cake.

Refund Policy

If you are not satisfied with your cake, you can bring it back within 24 hours relatively **UNCONSUMED** and we will gladly refund your money. However, **please note that if the cake has been mostly or totally consumed, no refund is applicable.**
